

MEDSEC

Engagement and Support Programs

Looking for extra support?
Want to stay up-to-date on regulatory issues?
Ready to take your cybersecurity program to the next level?
One of our subscription programs might be right for you!

We support on-going security efforts and collaboration with industry experts and peers with two unique subscription programs:

The MedSec Community (MC)

Join the community and engage with MedSec leaders to discuss the most relevant regulatory intelligence topics.

Your subscription includes:

- Bi-Monthly Regulatory Intelligence Session*
- Review of new and emerging global regulatory issues

*Regulatory Intelligence Session topics include review of:

- New and emerging global regulatory issues such as regulatory guidance, trends, and updates
- Trends in US FDA deficiencies in cybersecurity
- Updates on global cybersecurity standards
- Discussion of strategies for managing regulatory issues
- Detailed updates on discussions and presentations from various conferences and meetings

MedSec Partner Program (MPP)

A subscription program that gives you access to our team when you need it. You receive a set number of support hours for answering questions, strategizing your approach, or maturing your program.

Your subscription includes:

- Bi-Monthly Regulatory Intelligence Session*
- Review of new and emerging global regulatory issues
- Advisory Hours which could include:
 - Bi-weekly or weekly meetings
 - Document review
 - Topical advisory calls
 - Email questions and inquiries
 - Technical questions
- Corporate and Executive Briefings
- Discounts on Other Services
- Newsworthy Updates
- Access to Webinar Recordings
